

## Erratum

**Miettinen, S and Teittinen, A. (2013) Deinstitutionalisation of people with intellectual disabilities in Finland: a political perspective *Scandinavian Journal of Disability Research*. <http://dx.doi.org/10.1080/15017419.2012.761153>**

When the above article was first published online, the below reference was listed in correctly:

Hintsala, Susanna, Heikki Seppälä, and Antti Teittinen. 2008. “Kehitysvammaisten asumispalvelujen suuntaviivoja” [Guidelines on Housing Services for People with Intellectual Disabilities]. In *Neoliberalism: A Critical Reader*, edited by Niemelä and Brandt, 135–150. London: Pluto Press.

This has now been corrected in both the print and online versions to:

Hintsala, Susanna, Heikki Seppälä and Antti Teittinen. 2008. Kehitysvammaisten asumispalvelujen suuntaviivoja [Guidelines on housing services of people with intellectual disabilities]. In *Kehitysvammaisten yksilöllinen asuminen: Pitkäaikaisesta laitosasumisesta kohti yksilöllisempiä asumisratkaisuja*, ed. Markku Niemelä and Krista Brandt, 135–150. Helsinki: Sosiaali- ja terveysministeriö [Ministry of Social Affairs and Health]. (Not available in English).

Taylor & Francis apologises for this error.
